

CONTENTS

Preface

Additional Papers and Abstracts

- Protection of karst and caves in the Czech Republic
under the new act Jaroslav HROMAS 1
- Conservation and management of karst and caves in protected areas
– an example from Europe conditions, Czech Republic ... Bohumil KUCERA 5
- Paleokarsts at the Permian–Triassic boundary in Southeast Asia
– an introduction Claude MOURET 9
- A current view of carsology Antonio NUNEZ JIMENEZ 32
- Discovery of a nontroglobiomorphic race of the european cave
salamander *Proteus anguinus* (Amphibia: Caudata: Proteidae)
– a preliminary report Boris SKET J. W. ARNJZEN 41
- Existence and formation of large caves in silici–clastic sediments
below basaltic lava–flows, Niut Mountains area, Kalimantan Barat,
Borneo, Indonesia..... Claude MOURET 41
- Formation of underground streams in volcanic rocks: Tahiti, French
Polynesia, and Bali, Indonesia..... Claude MOURET 42
- The karst of Khammouane, Central Laos Claude MOURET 43
- Wake–related formation of runnels in carbonate and slici–castic
rocks along major asian rivers: Chindwin in Myanmar(ex Burma) and
Yangze in China Claude MOURET 44
- Large underground chambers in the Philippines: characteristics and
formation Claude MOURET 45

Activites Reports after UIS–Bulletin No.38

- Report for activities of the commission of physical chemistry and
hydrogeology of karst of UIS for the period 1989–1993 yr.
..... Yavor SHOPOV 46
- Status report of the international programme "Luminescence of cave
minerals" of the UIS commission of physical chemistry and
hydrogeology of karst Yavor SHOPOV 47
- Status report of the working group on "Speleothem records of
environmental changes" of the UIS commission of physical chemistry
and hydrogeology of karst Yavor SHOPOV 51
- Commission on paleokarst and speleochronology of the UIS
– current news and plans..... Pavel BOSAK 55

Congress Schedule	57
Plenary Meeting	
Texts of addresses	
Declaration of the opening the XI International Congress of Speleology by Prof. WANG Sijing of the Chairman of Organizing Committee of XI ICS	58
Welcome address by Prof. Hubert TRIMMEL of the President of UIS	58
Welcome speech by Prof. XU Zhihong of the Vice President of Chinese Academy of Sciences	58
Words of welcome by Prof. HU Zhaosen of the Vice President of National Natural Science Foundation of China	59
Speech of congratulation by Prof. LIU Dongsheng of the President of International Union for Quaternary Research	59
Message by Prof. Antonio NUNEZ JIMENEZ of the Vice President of FELAC	60
Closing words by Prof. ZHANG Shouyue of the Secretary-General of the XI ICS	60
Competitions of Speleological Arts and Publications	
Prizewinners	61
Introduction of prize cups named after show caves and scenic spot	
Zhijindong Cave	62
Lunan Stone Forest	62
Tenglongdong Cave	64
Yaolindong Cave	66
Excursion Courses and Number of Participants	
Pre- and post-congress excursions	67
One day mid-congress trips	68
Assembly of Member Countries of UIS	
Newly elected bureau of UIS	68
The Congress' Story	
Summary of Participations	
Alphabetical listing of registrants at the XI ICS	69
Attendance of the Congress by country and participation form	79
Various Opinions of the Congress	
Authors Index of Proceedings and Supplement	
	81
