Symposium 5: Applied Speleology

Session 1: Speleology and civil engineering

Goodbar James	Oil & gas drilling in cave and karst areas.....	3
Korzhyk Vitali	Economical assessment of speleoresources and cave protection	7
Masotti Daniel	Potabilité de l'eau du karst de Tsanfleuron.....	9
Ek Camille <i>et al.</i>	The dynamics of the karstic features of Sprimont (Belgium) and its consequences on the land-use planning. Preliminary note.....	13

Session 2: Speleology and tourism

Craven Stephen Adrian	Cango Cave, Western Cape Province, South Africa, a speleo-bureaucratic report.....	15
Reynard Emmanuel	Problèmes liés à la mise en valeur touristique d'un site karstique. Le cas du karst du Tsanfleuron (VS, Suisse).....	17
Masotti Daniel	La mine de cuivre de Zinal dans le Val d'Anniviers.....	21
Masotti Daniel	Musée suisse de spéléologie an 4.....	25

Session 3: Speleotherapy and education

Epis Lorenzo	AkakorProject: Psychological support.....	29
Krasnoshtein Arkady E. <i>et al.</i>	Dynamics of physical characteristics of the atmosphere in speleotherapy chambers.....	31

Session 4: Applied Speleology, miscellaneous

Ayub Soraya & Becker J. H.	Study of the caves' environment as an instrument in Environmental Education and how this study is carried out in Brasil.....	35
Holland Ernst	Humans and Animals have Rights do Caves ?	39
Michie Neville	The threat to caves of the human dust source	43
Zhu Yuanfeng	Causes of poverty and methods for shaking off poverty in karst areas of South China....	47

Symposium 6: Mapping and Techniques

Session 1: Cave mapping

Cassou Jean-Pierre	Une solution intégrée pour le traitement spéléométrique: le logiciel HADES-2000.....	53
Wookey	Survex - Cave surveying software.....	57
Wilcock John D.	Simulation of cave hydrological systems using modern computer software: Practical case studies from the UK.....	61

Session 2: Archives

Hoffmann Guido	Das SPELIS-System der Bibliothek des Verbandes der deutschen Höhlen- und Karstforscher.....	65
Versa Dorotea	The cave register of the Speleological Association of Slovenia.....	69
Matthews Peter	Demonstration of Cave Database System.....	72
Matthews Peter	Cave Database Structure.....	72
Matthews Peter	Karst data interchange.....	72

Session 3: Cave rescue

Dodelin Christian	Accidents spéléologiques en France de 1985 à 1995.....	73
Jordi Martin	Höhlenrettung in der Schweiz.....	77
Montero Garcia Ismael Arturo	Histoplasmosis.....	80
Michel J.	Conception de la vivière étanche.....	81
Coste Thierry	L'équipe d'assistance aux victimes lors des secours spéléologiques.....	85
Semikolenykh Andrey A.	Epidemic dangers in the caves of Middle Asia.....	87

Session 4: Electronic techniques in speleology

Bulichov Anatoly	Geophysically predicted and discovered large cave emptinesses in Siberia.....	89
Prokhorenko Vitaliy	Automatic ignition for carbide lamps.....	93
Prokhorenko Vitaliy	An impulse generator for the ground penetrating radar.....	95
Morel Laurent	16 mois d'enregistrement dans la Luire.....	99

Session 4: Cave protection

De Broyer C. <i>et al.</i>	L'Atlas du Karst Wallon : un outil pour une gestion intégrée des régions calcaires de Wallonie (Belgique).....	103
----------------------------	--	-----

Session 5: Miscellaneous

Salvatori Francesco	Progetto Monte Cucco di Didattica Ambientale: i fenomeni carsici e l'educazione scolastica naturalistica.....	107
Chabert Jacques	Contribution à l'étude de l'évolution du matériel spéléologique en France vue à travers la commercialisation.....	111
Salvatori Francesco	Laboratorio prove materiali di Costacciaro: ricerche preliminari sugli attachi con collante chimico.....	115
Salvatori Francesco	Laboratorio prove materiali di Costacciaro: confronto fra ancoraggi artificiali ad espansione e a collante chimico.....	117
Stibrányi Gustáv	Velky Traverz: the superlong Tyrolean.....	119
Usuloglu Ender	Foreign cavers coming to Turkey: Our respective relations.....	123
Heller Martin	Toporobot.....	127

Session 6: Bibliography and history

Kósa Attila	The making of the "Caver's living dictionary".....	129
Tomova Bisera	The Cave and its place in medieval bulgarian paintings.....	131
